This image is a high-contrast, black and white scan of a vertical strip. The left side is a bright, textured white area, while the right side is a solid black area. A thin, irregular vertical line separates the two, showing some internal texture and noise. The overall appearance is that of a page edge or a binding from a scanned document.

but the difficulty of forwarding it was too great. It would have had to be taken in pieces, and transported on the backs of coolies across the whole of the Suburbs, and as there are no coolie-builders at Boreum, men would have had to be sent from Europe to reconstruct the disjunctive vehicle. Besides, his numerous already employed in a very curious fashion a eunuch which Queen Victoria gave him. On solemn occasions his majesty has the privilege drawn by the grandeur of his court, he himself marching on foot by the

100

A high-contrast, black and white image showing a dense, textured surface, possibly a wall or a large piece of paper, with a dark horizontal band across the middle. The texture is grainy and speckled, with many small dark spots and lines. The dark band is a solid black line that runs horizontally across the center of the image. The overall appearance is that of a heavily degraded or high-contrast scan of a document page.
